

Effects of Upper Extremity Mobilization Techniques on Fine-Motor Performance in Children with Neuromotor Disorders

About the Author

W. Michael Magrun, M.S., OTR/L is an NDT certified therapist in pediatric treatment and baby treatment. He is a former instructor in pediatric therapy at SUNY at Buffalo and the University of Central Arkansas. His clinical experience ranges from institutional and clinic settings to school settings and private practice. He has published articles in a number of journals and published several manuals and videos on various aspects of pediatric assessment and treatment.

Topic/Hours Granted

This is a text only article. Granted 1 contact hours (.1 CEUs, 1.25 PDUs)

Contact Hour Conversion

1 contact (clock) hour is equivalent to .1 CEUs (Standardized by the Federal Task Force on Continuing Education and the International Association for Continuing Education and Training. All national therapy associations and license boards follow this conversion.)

1 contact (clock) hour is equivalent to 1.25 NBCOT PDUs

License boards that specify requirements as credit hours, credit units, credits etc. are referring to contact (clock) hours. License boards that specifically require CEUs are referring to the CEU conversion from contact hours.
