

Treatment Concepts for the Pediatric Patient

About the Speakers

Barbara Hypes, P.T., is a physical therapist trained in both pediatric neurodevelopmental treatment and baby treatment. She has been treating children since 1981 and teaching continuing education courses and seminars since 1985. She currently teaches courses for therapists, teachers, and parents throughout the United States and Canada. She has experience in a variety of settings including outpatient rehabilitation centers, hospitals and schools. She currently practices at an outpatient pediatric therapy treatment center treating children ranging in age from newborn to young adult. Barbara has published several books and numerous DVDs on pediatric treatment. She is widely recognized for her contributions to pediatric treatment.

Reggie Boehme. OTR, was a renown author and teacher. She was certified in Neurodevelopmental Treatment and Baby Treatment, and was internationally recognized for her contributions to the treatment of children with neuromotor disorders.
